

SABINSA AND KRAEMER & MARTIN SIGN GERMAN DISTRIBUTION AGREEMENT

Langen, Germany (May 4, 2009) – Sabinsa Europe GmbH has signed an agreement with Kraemer & Martin GmbH, a leading distributor of cosmetic raw materials in Germany, to represent a number of Sabinsa’s cosmeceutical ingredients as sole distributor in Germany.

“We are very pleased by this new distribution arrangement,” said Sabinsa Europe Resident Director Dr. Hans-Ullrich. “It offers greater flexibility to our customers, and amplifies our ability to provide innovative, high quality ingredients to the German cosmetics market.”

About Sabinsa:

Sabinsa's mission is to provide alternative and complementary natural products for human nutrition and well-being. Over the past 20 years, Sabinsa has brought to market more than 100 standardized botanical extracts and privately funded several clinical studies in conjunction with prestigious institutions in support of these products. With more than 100 full time scientists conducting ongoing research in India and the United States, Sabinsa continues to develop and patent phytonutrients for the world market. All products intended for human consumption are certified Kosher, with many certified Halal. For more information, visit www.sabinsa.com, www.sabinsaeurope.com or www.sabinsacosmetics.com.

About Kraemer & Martin:

Located in Sankt Augustin, Germany, Kraemer & Martin has been one of Germany’s most successful distributors of chemicals for over 70 years. Being small enough to know local markets very well yet big enough to implement projects with an international dimension, Kraemer & Martin offers their business partners a comprehensive product portfolio together with all related services. The close cooperation with their customers and suppliers contributes to the development of new products and manufacturing processes geared to market requirements. Kraemer & Martin is the German company within the AZELIS Group.
